WE ARE A UNICEF GOLD RIGHTS RESPECTING SCHOOL

Article 30:You have the right to practice your own culture, language and religion

Dear Parents, Carers, Friends and Colleagues,

It is lovely to see all the children playing outside and doing PE on the field this week inbetween the showers.

Rights Respecting School

This week we focused on Article 30: You have the right to practice your own culture, language and religion. Your children will learn that with this right comes the responsibility to respect the people and communities of this new country.

Please support us by using the language of rights and responsibilities with your children, asking them what they have been learning about.

Lateral flow tests

We would encourage families to order free packs of rapid lateral flow tests which can be used at home: https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests

Reading Challenge

Congratulations to RB1, Y5 and Y2 for reading the most last week. You really kept up the momentum, good work and keep it up!

Queen Mary's Hospital

If you, or your child, has a minor injury or illnesses, such as a burn, sprain, broken bone, earache or wound, you can now be seen conveniently and locally at Queen Mary's Hospital, Roehampton.

We will see you quickly and locally at Queen Mary's Hospital Roehampton.

Call **020 8725 0120** for a convenient appointment.

We're open **8am to 8pm** every day.

This NHS service is for adults and children over two.

Please don't attend if you have tested positive for Covid-19, are self-isolating or you have symptoms. Call NHS 111 or 119 instead.

Appointments

If your child has any medical appointments during the school day, we *must* know in advance so we can organise for staff in their bubble to bring them out to you, and to advise you on procedures for coming back into school safely.

Please call or email Mrs Gibbs: admin@thealton.wandsworth.sch.uk.
